Sir,

Subject: Importation of Kodak View Camera

In continuation of this office letter No.444 dated 2nd April 1949 in connection with the above mentioned subject, I have the honour to enclose herewith copy of a letter No. nil dated 26th May 1949 received from Messrs. Kodak Ltd., Kodak House, Hornby Road, Bombay No.1. According to the present rates quoted in the letter the price of the complete set will come to Rs.2170/- nett. The amount sanctioned in G.O.No.E.3708-99/Archy.1-48-3 dated 6th October 1948 is Rs.1125/- which sum includes only the cost of the camera, one compact stand and one extension pillar. While applying for the sanction of this grant, the price of the plate holders and other articles was not known and therefore could not be included

for sanction and it was proposed to obtain them later. Since, however, the firm has now quoted the price of all these articles also and without the holders and other materials mentioned in the letter the set would be incomplete, it is very desirable to get the whole set even at the cost of Rs.2170/-. The required sum is available in the grant under "Special Charges" in the budget of the Department for the current year. In view of the fact that the financial year is drawing to a close I have requested the firm to supply the complete set with a bill of cost in duplicate for arranging payment through the Comptroller. It is requested that this may kindly be approved in modification of G.O.No.E.3798-99/Archy. 1-48-3 dated 6th October 1948 sanctioning Rs.1195/- in this behalf.

Yours faithfully,

L.Narasimhachar

Ag.Director of Archaeology.

RAK.
